OB-SAS WITH US

FAMILY DAY FUN

Our annual Family Day is a special occasion for family and friends of our residents to gather and enjoy a delightful lunch together. This year, we showcased our residents' artistic talents and featured performances by our musically talented nursing staff.

The mini exhibition was created with immense love and dedication by our residents, along with the Rehab and MSS teams. It displayed a variety of tote bags, original art & craft works, potted plants, and plant terrariums.

A heartfelt thank you goes out to our Guest of Honor, Mr Daniel Liu, Grassroots Advisor to Aljunied GRC, SAS Band - Avenue One, and the members of the Chinese Club for their wonderful performances. We also extend our gratitude to our Medical Social Workers team for their invaluable efforts in organising this memorable day!

Looking ahead, we are excited to continue fostering these connections and creating more cherished memories with our SAS family. Here's to many more years of love, laughter, and togetherness!

HONORING OUR NURSING AND CARE STAFF ON NURSES' DAY

Each Nurses' Day, we take a moment to appreciate our dedicated Nurses and Care staff who devote their lives to the well-being of our residents in need. This special day is an opportunity for us to express our gratitude for their unwavering patience, kindness, and selflessness that they demonstrate every day. They truly are the backbone of our organisation, and we often don't convey our appreciation for them enough.

The celebration was filled with delicious food, lively music, engaging games, and heartfelt awards. Once again, thank you to our heroes in blue (and grey), of which we truly rely on and cannot do without!

CONGRATULATIONS TO SSN THILA!

It is our honour to announce that Senior Staff Nurse (SSN) Thilagewathi has been awarded the esteemed MOH Nurses' Merit Award for 2025!

SSN Thila is a compassionate and dedicated healthcare professional with more than a decade of experience providing care for elderly residents at SAS. Her unwavering commitment to excellence and her leadership in nursing make her an invaluable asset to our team.

We could not be prouder of her for receiving this well-deserved award.

PS: Watch Thila's live Seithi Interview after the award presentation. You can also find an article covering her experience on Tamil Murasu News. Find the links to both on our website.

NATIONAL DAY CELEBRATION

In commemoration of our nation's celebration of SG60, numerous volunteer groups gathered to take our residents on a nostalgic journey through performances and games.

We feel so privileged to have the involvement of these volunteer groups who come down especially to spend time with our residents as a way of giving back and showing their care to those in need in our society. Your generosity shows through the smiles of our residents.

As we reflect on the past that our pioneer generation helped to build up and look forward to the future, let us carry forward the spirit of generosity and kindness that defines us. Together, we can build a brighter, more inclusive future for all. Majulah Singapura!

MID AUTUMN FESTIVAL

With Mid Autumn Festival fast approaching, we are so thrilled to have volunteer groups come in to celebrate this festivity with delectable mooncakes and beautiful handmade lanterns.

We are especially grateful to the volunteers who took the time to craft the lanterns together with our residents. Their collaborative creative efforts resulted in intricately painted lanterns that brought a vibrant burst of colours to our hall!

If you're interested in celebrating any festivities with our residents or perhaps donating some treats and snacks, please don't hesitate to reach out to us!

DRONE SOCCER

In other news, our Rehab team has adopted an exciting new program — Drone Soccer! In this e-sport game, players direct drones that are enclosed in a spherical cage and score by flying the drone through a circular goal.

Over the course of 4-5 weeks, residents learn the different controls to fly a drone, score goals, and perform fun tricks. This helps to promote hand-eye coordination, active planning and navigation.

Our goal is to one day form one or two team of players so that our residents can play against other groups. Not only do our residents feel a great sense of accomplishment when they score a goal, this tech-enriched activity also provides enrichment to their day-to-day activities.

OUR COMMUNITY RALLYING SUPPORT

ERM's Miss Singapore & Manhunt

This year, we are so fortunate to have Manhunt and Miss Singapore contestants from ERM support us in our fundraising efforts! Not only did the contestants individually rally support for us, they also came down to our home to spend time with our residents and helped to celebrate their birthdays.

Collectively, the contestants this year raised a total of \$36,089 for us. Some used their talents to organise classes, while others used their influence to rally support for a worthy cause.

Keppel Club

We are also incredibly grateful to be selected once again as one of the beneficiaries of Keppel Club's Charity Golf. Their annual fundraiser contributes to multiple charities, a truly heartwarming gesture that lends support to many of our local charities.

On top of their fundraiser, Keppel Club also invited a group of our residents to experience virtual golf, which is a safer option for our residents on wheelchairs. This was a first time for many of our residents, and an absolute fun and eye-opening experience for all of them.

We are so thankful to have these funds that will go towards giving our old facilities a new lease of life. These renovation works will help in enhancing the quality of life for our residents, and for our home to provide essential and adequate care to lives of those in our care.
